ANNOUNCEMENT

We are going to move to the Crumley Block on September 1st. This move is necessary in order to provide better facilities for handling our rapidly growing automobile and tire business. We shall make a feature of the Brunswick Tires which we are handling with a guarantee that every tire sold must give satisfactory mileage to our customers. It must be understood that the Brunswick is not a cheap tire, but. on the other hand, is a high class article made from the best of materials by skilled workmen. When you become dissatisfied with your tire mileage try one. We still have a few tires that went through the flood which we are selling at 20 per cent reduction. These tires are not damaged, but the wrappers were destroyed and they must be sold to prevent deterior-
